STREET TREE REQUEST FORM

On occasion, the Municipality of Norristown offers its residents the opportunity for a free street tree. All trees are **FREE** to property owners and are required to be planted within the right of way (between the curb and the sidewalk). If you own a property in Norristown and are interested in this program, please fill out and return the form below.

Prior to planting, the right of way on your property will be visually inspected for suitability by a member of the Shade Tree Commission. If a tree is planted on your property, you will be responsible for general maintenance requirements and eventual removal of the tree, as long as you remain the property owner. The trees selected for this program are suitable for urban environments and should not interfere with your utilities or sidewalks.
