Diana and Robert Madden, 708 E Elm Street:

Speaking on behalf of the 700 block of Elm Street. First to purchase one of the new town houses. Were told their street would be taken care of, including snow plowing. This year, the care has stopped. Reached out and was told by P/W that the road is private. Stop signs and trees are required to dedicate street. Has not happened.

Have deed and site plan. One note states area of ultimate right-of-way. Told that block would be Norristown's not private. Best course of action?
